OPPORTUNITIES

INTRODUCTION

Thank you for your interest in the SFNet Dallas Chapter! We are excited to share our plan for the upcoming 2026 year. We are extremely excited about the programs we have lined up for 2026 and could not provide them to our members without the support of our local sponsors!

We aim to increase membership and events in an effort to bring back stronger relationship building and connections with each other in the market. Our goal is also to present informative and relevant topics through out the year, provide educational items for new to industry members, and create stronger networking opportunities for building relationships and creating synergies. In order to accomplish our goals, we need you, the sponsors behind us. Thank you for considering a 2026 sponsorship to the Dallas Chapter to help us grow back to the strong chapter that we all deserve to be a part of!
